Volunteer Application Form

Our Policy

It is the policy of this organization to provide equal opportunities without regard to race, color, religion, national origin, gender, sexual preference, age, disability, or species.

We must also caution those of you with any physical health restrictions. Volunteer work with animals of any kind can be strenuous and brings with it possible risks of injury. Therefore, if you have any questions regarding the type of work you would best be suited for, please discuss with a Sanctuary Board member.

Due to the inherent risks involved, the Sanctuary also reserves the right to restrict activities due to age and/or maturity levels. Sometimes there may not be a good fit between a volunteer and the animals or the work involved. For this reason we also reserve the right to refuse to take on a volunteer for reasons as the Board deems appropriate.

In addition, as we work with numerous other organizations, we are unable to accept volunteers who have been convicted of any felony.

Thank you for completing this application form and for your interest in volunteering with us.

Please give us a week or two to review your form before making an appointment for an interview.

If accepted you will receive an e-mail or post card inviting you for an interview, with dates and times listed. Please have patience for a response as we are few and you are many. The final acceptance, of course, will be made by the Wolves!
